

SUSAN ESTHERA

DJ & Producer | Afro • Soulful • Deep House

 bookings@susanestheramusic.com

DJ and producer Susan Estherra is best known for her technical precision and deeply curated Afro and Soulful House sound.

Beginning in the 1990s, she quickly gained recognition across the East Coast before going on to secure long standing residencies at some of Boston's most iconic venues.

As her global audience grew through streaming, Susan stepped further into production, becoming a charting artist with releases featured on MovementSoul, Mereumbe, Unquantize, and her own label, Elara Moon Music. Her work has earned support from legends including Louie Vega, Danny Krivit, and Timmy Regisford, while her production journey has been shaped through guidance and technical feedback from David Morales, Jihad Muhammad, DJ Spen, Doug Gomez, and Eric Kupper.

With an expanding international following and a steady stream of standout releases, Susan continues to bring depth, passion, and undeniable skill to the decks, with experience and instinct leading the way.
